Your response to this questionnaire is voluntary. The information obtained will be used by WEST EJ Center only for evaluating whether our recruitment activities are effectively reaching all segments of the relevant labor pool and whether our selection procedures allow all applicants to compete on a level playing field regardless of race, national origin, sex, or disability status. The voluntary responses are treated in a highly confidential manner and play no part in the internship selection process. Rather, the information is used in summary or aggregate form to determine trends. No information from the form is entered into an official personnel file.
